LEADERSHIP OPPORTUNITIES

The teen leadership program at Camp Oranim has been updated this year with new opportunities available.

Camp Oranim now offers a leadership program for students entering 11th grade and a counselor in training position for young people entering grade 12.

Through the program and hands-on experience, participants will gain leadership skills through counselor and peer interaction, leadership workshops, and working with younger campers.

Camp Oranim ...

is a week-long experience that helps **develop self-confidence, encourages personal growth, and spiritual development in an enriching Jewish environment.** It is our goal that throughout this active and fun-filled week, campers will *strengthen their commitment to Judaism and their Jewish identity.* We also strive to help our campers develop lasting connections with other Jewish children. Camp Oranim provides an opportunity for campers to share learning experiences with old and new friends, teachers and counselors in a supportive, natural setting. **Most of all, Camp Oranim is FUN!**

Camp Oranim at Bishop's Ridge

Nestled at the southern end of the Sangre de Cristo Mountain Chain in northern New Mexico, Bishop's Ridge is the perfect setting for the fun and friendship of camp. Spanning more than 200 acres and surrounded by enormous pine trees, wide open blue sky, wildlife and plenty of sunshine, Stoney Camp provides the facilities needed for a variety of activities.

Bus transportation from Congregation Albert is included.
